PRESS RELEASE

May 20, 2019

FOR IMMEDIATE RELEASE

Event Name: **SUMMER PHOTOGRAPHY CLASSES**

Presenter: Dr. David Rorick
Date: Tuesdays, July 9, 16, 23, & 30, 2019
Time: 6:30 p.m. – 8:30 p.m.
Fee: \$150 SCHF

Description:

Designed with beginner to intermediate photographers in mind, this four-part class uses hands-on experience, shooting lots of pictures, to share the principles of great photography. Anyone with a digital camera and some practice can learn to make great shots instead of snapshots.

The four, two-hour class sessions include a photo walk in the neighborhood around the Southern Cultural Heritage Center (weather permitting) to shoot local points of interest. Students will share their work with each other during class sessions as we build our skills and fine-tune how we look at the world around us. At the conclusion of the class, students will receive a large-format print of their favorite photo created during the class, at no additional charge.

Students need to have access to a digital camera with manual controls to get the most out of this class. DSLRs from Canon, Nikon, Sony, or Pentax are ideal, as well as mirrorless system cameras such as the Sony NEX and Alpha series. Bridge cameras like the Canon S and G series and similar Canon and Sony models also work well. If in doubt, contact the instructor to learn if your camera is appropriate for the class.

The classes will be held on **July 9, 16, 23, and 30** from **6:30pm-8:30pm**. Registration is \$150 for all four classes.

Space is limited and reservations are required. For more information, please contact the SCHF office at 601.631.2997 or email info@southernculture.org.
